ASIA ADVISORY BOARD

We are volunteers from Asian communities in Calgary who come together to advise the Calgary Police Service (CPS) about various matters, and work collaboratively with the police towards the collective goal of bettering service for Asian Calgarians.

HOW IT WORKS:

The CPS Asia Liaison Officer co-chairs the board along with a civilian co-chair(s). Having a police officer on the board allows for direct communication and partnership between the community and the police.

MEMBERS OF THE ASIA ADVISORY BOARD:

- Must be at least 18 years old
- Attend regular monthly meetings
- Communicate information between the CPS and Asian communities
- Are passionate about community service

Those interested in joining must complete a brief application.

COMMUNITIES:

The communities represented under the CPS Asia Portfolio are: China, Hong Kong, North Korea, South Korea, Taiwan, Tibet, Japan, Thailand, Laos, Vietnam, Singapore, Cambodia, Malaysia, Indonesia and the Philippines.

MANDATE:

The Asia Advisory Board is composed of community members with cultural knowledge, lived experience and relationships who assist CPS in improving their service to all Calgarians. The board performs an independent advisory function to the CPS membership about community needs and communicates progress back to the community. The board works with the CPS to ensure they are serving all members of the community equitably, and works to help change policing culture to value diversity through community-driven solutions.
